

Firearms Familiarization

The class is intended for individuals that have never fired a gun or have only fired a gun a few times. This class will introduce individuals to the universal rules of firearm safety, safe handling and the fundamentals of shooting. Students who are new to the shooting should attend this class or Basic Pistol prior to taking the SC CWP class. This training takes place on the range, and there is no classroom time. This class is only offered on **Tuesdays** and **Thursdays**. You must call to schedule a class at least **72 hours in advance**.

Time: To be determine upon making an appointment.
